Birthday Party

The residents and staff at Three Rivers Healthcare and Rehabilitation were recently visited by the Arkansas State University Red Wolves football team. The players spent time with residents and served cupcakes and Kool-Aid. Three Rivers staff member, Delores Woods, especially enjoyed their visit, since her grandson is one of ASU's talented players!

Three Rivers' own Coach McClellan received a "Coaches Bible" from the ASU football coach. Coach McClellan was so impressed that he gave his own "Red Wolf Howl" as a sign of his approval! All of the residents enjoyed this special visit from the ASU football players, and we truly appreciate ASU Red Wolves for their kind attention.

CRAFT CORNER

OWL CRAFT

We love crafting at Three Rivers. Residents always enjoy participating in whatever craft we come up with. We recently got creative with paper crafting and made colorful owls. Lots of fun!

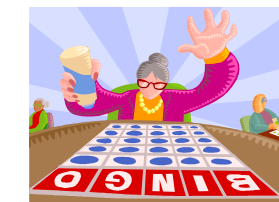

Please Welcome Donna Partlow

Donna has joined the staff at TRHR as our new activity director! She recently relocated here with her husband, Dany, who is the new United Methodist minister in Marked Tree. In her spare time, Donna enjoys fishing, playing cards, and spending quality time with her family. She stated, "Being an activity director is a new experience, but extremely rewarding. It is fun spending time with the residents, especially eating and playing BINGO!"

COKE FLOATS

Our residents and staff recently enjoyed a special treat of "coke floats" which brought back many fond memories of younger years.

BINGO FOR BUCKS

The residents at Three Rivers Healthcare and Rehabilitation always enjoy the days when we play Bingo for Bucks. We recently had some special guests join us – the Marked Tree United Methodist Preacher called the Bingo with the 1st Assembly Youth Group from Murfreesboro, TN assisting.

Thanks to all who came to help our residents and join in the fun!
