### HALLOWEEN FUN FACTS

Halloween, originally a pagan holiday honoring the dead, is on October 31st, the last day of the Celtic calendar. Halloween dates back over 2000 years and is often referred to as All Hallows Eve.

Trick-or-treating harks back to the Middle Ages and All Souls' Day. Poor people in Britain would beg for soul cakes, a sweet-bread treat, and pray for dead relatives in return.

When trick-or-treating first became popular in the United States in the 1800s, more children played mischievous pranks than asked for candy. By the 1950s, the focus had switched to good old family fun, with sugar-hyped children dressed in costumes.
