Be Mine!

We celebrated Valentine's Day in a big way at Three Rivers. We had a variety of Valentine's events, such as: Valentine's cookie decorating, Valentine's paintings, crafting Valentine's cards for our employees, and we played a guessing game with Hershey's kisses. We also had a Valentine Party where two residents and two staff members were elected as our Valentine Kings and Queens of Three Rivers. Resident King is Mr. Jimmy Smith and Queen is Ms. Ollie Donnerson. Staff King is Swadhin Patnaik from our Occupational Therapy department, and Staff Queen is Bryah Currie from our Speech Therapy department. We had such a great Valentine's Day with our sweethearts at Three Rivers!

Remembering Rosetta Luster

The residents and staff of Three Rivers are mourning the unexpected loss of our dear friend and colleague Rosetta Luster. Rosetta worked in the dietary department for 20 plus years. She was a great cook and a great friend to all.

Compassionate and unselfish, she went out of her way for our residents over and over again. She was also a great mother, sister, and grandmother. She was extremely generous, with no expectation of receiving anything in return. That's just the way she was. She will be greatly missed by all of us here at Three Rivers. We love you Rosetta and we are grateful to have met such an amazing, caring, fun, loving, and special person. Thank you for all the great memories you left with us. You will forever be in our hearts.

Here's the Scoop

As the temperature increases, so does our craving for ice cream! Residents enjoyed their recent trip to Andy's Frozen Custard where they savored their delicious ice cream cones. It was a great time and a beautiful day for an ice cream run!

Our Mission

Our mission is to enable our residents to live life to its fullest, regardless of age or health, with compassion, understanding, respect, dignity, and caring support.

Inspirational Quote of the Month
