Tie Dye Time

Residents showed their true colors last month when they tie dyed their own unique designs on t-shirts. Using a plastic bag, t-shirt, dye, and rubber bands, they were able to create artwork they could wear. Tie Dyeing is a great way to express personality and creativity. Our residents' designs came out looking pretty groovy!

A Celestial Celebration

Residents enjoyed witnessing history last month when they donned their solar glasses and watched as the eclipse took place. This celestial phenomenon occurs when the moon passes between the sun and earth and blocks all or part of the sun for up to about three hours, from beginning to end, as viewed from a given location. The last time the contiguous US saw a total eclipse was in 1979. This event was truly remarkable, and we were glad to be able to witness it with our wonderful residents.

Waffles + Ice Cream = Yum!

Residents enjoyed making waffle taco desserts recently. What exactly is a waffle taco, you ask? It is a sweet and easy waffle that holds all the chocolate sundae fixin's for a summer taco treat that can't be beat. Top them off with whipped cream, chocolate sauce, cherries, and sprinkles, and it's party time!

Our Mission

Our mission is to enable our residents to live life to its fullest, regardless of age or health, with compassion, understanding, respect, dignity, and caring support.

Inspirational Quote of the Month

Real integrity is doing the right thing, knowing that nobody's going to know whether you did it or not.
