Striking up the Band

Residents had a blast recently listening to some terrific tunes! We were treated to performances by Bob and Barb Lewis, and the return of the Three Rivers band! Their music was very entertaining and brought big smiles to our residents faces.

Mrs. Merl Hood

**Resident
of the Month**

Mrs. Hood is such a joy to be around. She has a strong love for her children, grandchildren, and husband who comes to visit with her daily. They have been married almost 63 years and she still blushes when talking about him. She enjoys reading her Bible and listening to the live bands we have here. We love you and feel blessed to have you here, Mrs. Hood!

Happy Birthday!

BUT NOT THE FLU!

Influenza, or the flu, can be a very serious illness for our residents. If you have not received your flu shot this year, please do so soon. Also, if you are experiencing any flu-like symptoms, such as sore throat, cough, fever, or muscle aches, please **DO NOT** enter this facility until you are feeling better. Remember that children can also spread Influenza, so please do not bring children to visit with you if they have any symptoms of the flu. If you are currently suffering with a cough or respiratory illness, please wear a face mask to protect our residents (available upon request at the facility).

WE NEED YOUR HELP IN KEEPING OUR RESIDENTS HEALTHY THIS FLU SEASON!

Making Masterpieces

Our residents never fail to amaze us with their artistic abilities! A group of residents recently sat down with some canvases, paint, and brushes and let the creativity flow. Check out the photos of their works of art below:

Movie Night

Sometimes you just want to kick back with some friends, a bowl of popcorn, and enjoy a good movie. Residents did just that at their recent movie night event!

Our Mission

Our mission is to enable our residents to live life to its fullest, regardless of age or health, with compassion, understanding, respect, dignity, and caring support.

Inspirational Quote of the Month
